SATHI · SATHI PILOT: OPERATOR GUIDE

Customer's government work stuck? Find the next step in 2 minutes

Sathi is a free website that reads a scheme's status and tells the customer what it means, what to do next, and drafts a complaint if the office is late.

sanjeevk20.github.io/sarkariyojna/#check

Use it when a customer says

- "My money / instalment has not come"
- "My application has been pending for a long time"
- "It shows rejected and I don't know why"

Status checker covers

PM-KISAN, Ladki Bahin, income certificate (UP), old-age pension (UP), Ladli Behna (MP), Gruha Lakshmi (Karnataka), social security pension (Rajasthan). Step-by-step guides cover 68 schemes; open any guide from the home page.

Six steps

1. Scan the QR code or open **sanjeevk20.github.io/sarkariyojna/#check**. Choose the language.
2. Choose the scheme.
3. **Paste the status text** from the portal or SMS, or tick the status that matches. Enter the date of application.
4. Read out **What it means** and **What to do next** to the customer.
5. If it is overdue or stuck: type only the customer's name and mobile, then print, copy or WhatsApp the **complaint letter**, and tell them where to submit it.
6. Write **one line in the case log** (page 2). Set a follow-up date 30 days ahead.

Rules

- Sathi is **free**. Do not charge for using it. Your normal fee for portal work is fine.
- **Never type** Aadhaar number, bank account, OTP or passwords into Sathi. It does not need them.
- What you type stays in this browser. Nothing is sent unless the customer chooses **Help others: share this anonymously**.
- Do not write customer names, Aadhaar or mobile numbers in the case log.

What to tell the customer

"This is what your status means. Do this next. If nothing changes by *[follow-up date]*, come back and we will send this complaint."

Pilot help

Pilot coordinator: _____ · WhatsApp: _____ · Wrong information on a guide? Tap **Report an error** on that guide.

Sathi is not a government website. Always use the official links shown on each guide.

Case log: one line per customer. No names, Aadhaar or mobile numbers.

Operator code: _____ District: _____

#	Date	Scheme	Stage Sathi showed	Action today: wait / fix / complaint	Follow-up date	After 30 days: solved / still stuck / not known	Minutes
